

HEIR TO FORTUNE

F. Menz Secures Part of a Large German Estate.

WILL AMOUNT TO \$20,000

Has Sailed for America on Steamer Patria.

Mr. F. Menz, of the Hollicke-Menz Furniture company, has fallen heir to a fortune in Germany, and is now on his way to America. It will be remembered that Mr. Menz left Wichita quite suddenly last April, being called to Germany by the death of his father at a small town near Hamburg. The deceased left a large fortune, but Mr. Menz having broken the family ties by coming to America, did not expect to receive but a small share of the estate. In this he was surprised, for the father's love for his American boy did not waver with the passing years, and Mr. Menz found on reaching his old home that he had been made a beneficiary to the amount of \$20,000. He immediately wrote Dr. Neumann, of this city, who had befriended him in many ways, and his friends in Wichita, while extending sympathy in the bereavement caused by his father's death, would also be glad to congratulate him upon his good fortune. Mr. Menz has spent most of his time in Germany visiting with relatives and old friends. He writes that he was privileged to attend one of the grandest musical events in Europe at Berlin recently, and his description of the singers and musicians is interesting reading. He spent most of his time in the cities of Berlin, Hamburg, Cassel and Bremen.

Mr. Menz boarded the steamer Patria on the 15th for New York and will reach there about the 23d, after which he will start for Wichita, reaching here about the 25th.

Mr. Menz's good fortune is especially pleasing to the members of the Sons of Hermann, of which he is a member and was president for quite a while.

AGAINST STREET RAILWAY

County Commissioners Refuse to Lower the Assessors' Figures.

Kos Harris, attorney for the Wichita Street Railway company, filed the following protest with the county commissioners yesterday:

"The Wichita Electric Railway and Light company now the above company and protests against the assessment of the property of the company at \$14,000, for the reason that the said property is not worth the amount of money at which it is assessed. Said company offers to let the same be assessed at \$5,000, the same being fair valuation for assessment."

RGS HARRIS, Attorney.

The subject was at once taken up by the board, but the protest was not considered. The commissioners refused to change the assessment made by the assessor.

THE SURGEON'S KNIFE

Once Believed to be the Only Cure for Piles and Rectal Diseases.

A Better Way Now Discovered Which Cures Every Form of Piles Without Pain or Inconvenience.

Many people suffer the pain, annoyance and other serious results from piles, for years, and after trying the many lotions, salves, ointments and the many so-called cures without cure or relief, give up the hope of final cure, rather than submit to the intense pain and danger which a surgical operation involves.

Happily all this suffering is no longer necessary since the discovery of the Pyramid Pile Cure; a remedy which is approved by medical profession as being absolutely safe, free from any trace of opiates, narcotic or mineral poisons and which may be depended upon as a sure cure (not only relief) for any form of piles, whether itching, bleeding or protruding. Some of the hundreds of cures recently made are a little short of marvelous, as a result of the following will demonstrate.

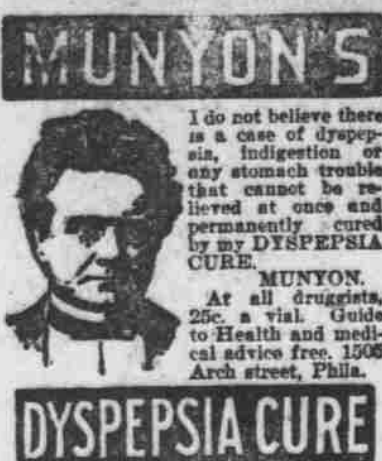

Major Dean of Columbus, Ohio, says: "I wish to add to the number of certificates as to the benefit derived from the Pyramid Pile Cure. I suffered from piles for forty years and from itching piles for twenty years and two boxes of the Pyramid Pile Cure has effectively cured me."

Dr. J. W. Meagan of Leonardville, Kan., writes: "I have used one box of Pyramid Pile Cure and received more benefit and relief than from any remedy I had used for the past twenty years."

James Jamison, Dubuque, Iowa, says: "I suffered from piles for six years; have just used the Pyramid Pile Cure and am a well man."

Mrs. M. C. Hinkley, 601 Mississippi St., Indianapolis, Ind., says: "I have been a sufferer from the pain and annoyance of piles for fifteen years. The Pyramid Pile Cure and the Pyramid Pile Cure gave me immediate relief and in a short time a complete cure."

The Pyramid Pile Cure may be found at drugstores at 50 cents and \$1.00 per package. A book on cause and cure of all forms of piles will be sent by mail, by addressing the Pyramid Pile Cure Co., Marshall, Mich.

AGAINST A BROTHER

An Oklahoma Woman Says Willie Gates

OF VALLEY CENTER

Was Murdered by Her Brother-for a Team and Watch.

The law has been slow in avenging the death of Willie Gates; so slow, in fact, that the memory of the deed has been almost obliterated, and no one except an unnatural sister of the murderer, can be found who wishes to prosecute the case. On May, 1871, Alexander Jester, then an elderly man, and Willie Gates, a young companion, were traveling to gether. They were going east by wagon route. On the road one day of May they camped just over the Missouri line, and that night Jester killed the boy and burned his body with a pile of brush. He sat in the darkness and watched his companion's body burn, and when he thought all evidence of the crime had been consumed he took the team and other valuables and started back this way. He was visited at Valley Center and brought to this city for his preliminary trial. Afterward he was taken to Warrensburg, Mo., and placed in jail, but escaped and for nearly thirty years he has evaded the watchful vigilance of detectives, until all desire for the fulfillment of the law has been eradicated by time.

Jester is now nearly 80 years old, tottering in the shadow of the grave, and why his sister wants him punished is beyond conception. Nevertheless, this is true, Sheriff Simmons received the following letter recently which explains itself:

Shawnee, O. T., May 3, 1899.

To the Sheriff of Sedgewick County, Kan.: Dear Sir: I wish to make a statement to you in regard to my brother, whose name is Alexander Jester, who was arrested near Valley Center, Kan., in the year of 1871, May 2, for killing a young man for his team, watch and clothing. The murder was committed in Missouri, I think near Warrensburg. My brother was arrested for murdering this young man, and I know of my own personal knowledge he is guilty of the charge. He was given a preliminary hearing in Wichita and was sent to Missouri, near where the crime was committed, and broke jail. He is my own brother, but I want him punished for that crime, so help you can and will find on the docks of his preliminary hearing and will notify officers of the county where the murder was committed. My brother is living here in Shawnee, O. T., who is known by the name of W. H. Hill. Hoping to hear from you in reply. Very respectfully,

CORNELIA STREET.

On receipt of the above letter, the officers here wrote to the authorities at Warrensburg, but have not received an answer to their letters, which is evidence that they do not want arrest. The efforts of the murderer's sister to have him punished will be very likely to be without avail.
